

I am a mom of twin tweens who loves to make my home the best it can be for my family! Recent DIY projects include a new bright and sunny living room, a fun hangout space for my kids (complete with a colorful accent wall and chalkboard wall) and a beautiful new perennial garden. I hope to create two new tween bedrooms this summer and turn my unfinished basement into a fun game room! On my blog, Mom Home Guide, I share my DIY projects, crafts, recipes, and gardening photos, tips and ideas.
